(October 27, 2009) Drs. Krishna K. Veeravalli, Venkata R. Dasari, Andrew J. Tsung, Dzung H. Dinh, Meena Gujrati, Daniel Fassett, and Jasti S. Rao have been selected as Featured Authors by the Library of the Health Sciences at the University of Illinois College of Medicine at Peoria.

The authors were recognized for their article “Human umbilical cord blood stem cells upregulate matrix metalloproteinase-2 in rats after spinal cord injury,” which was published in the October 2009 edition of *Neurobiology of Disease*.

The article will be displayed in the Library of the Health Sciences during the month of November. For more information about the ongoing Featured Authors series, please call 309-671-8489.
